Protégé for a Day. An Opportunity to Learn from Kansas City's Exceptional Entrepreneurial and Business Minds.

The Kansas City Council of Women Business Owners (KC-CWBO) is proud to present this dynamic event. The Protégé for a Day entrepreneur auction will be a unique, enlightening, educational, promotional, and highly enjoyable experience. Our high-energy, "live auction-style" evening will include fifteen of Kansas City's outstanding business personalities. Each has agreed to donate a day of his or her time to be awarded to the highest bidder.

Every lucky winner will assume the role of a 'protégé' (someone who receives guidance from a person with greater expertise) during one specified day to gain an understanding of the entrepreneur's areas of expertise, business philosophy, leadership skills, and abilities in the development of a successful enterprise.

You won't want to miss the once-in-a-lifetime opportunity.

Reserve your tickets or table today!
